You will be able to enjoy aperitivi at the bar or on our beautiful terrace, **without worry at any time**.

In the restaurant safety and privacy will remain our focus by ensuring all tables are **appropriately distanced** from each other at meal times. Our staff will make certain that you are well looked after attending to your needs; from breakfast to dinner they will be able to **serve you both at your table and at the buffet stations**.

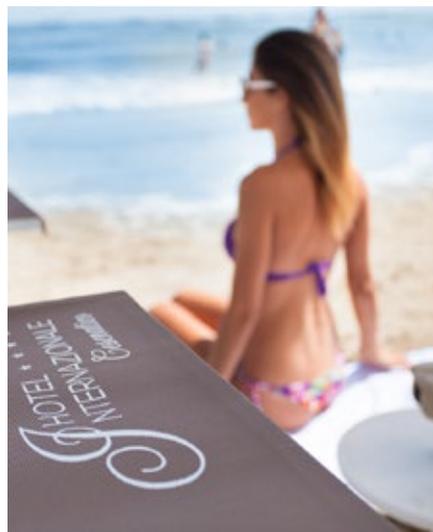

Our **bedrooms will be sanitised before your arrival** with hydrogen peroxide and cleaned with our usual attention to detail. Bed sheets, towels, curtains and soft furnishings will be **sanitised periodically at high temperatures**.

At the Hotel's private beach 'Bagno 4 Venti', you will find parasols and sunbeds appropriately distanced, providing each family with 22m² of space. You will be able to enjoy being on the beach and relax in the sun without having to wear a mask. We will be **monitoring the amount of people entering the swimming pool** to guarantee that there is no overcrowding and that you can have **still have fun while staying safe**.
